NOTICE TO SHAREHOLDERS OF THE SUB-FUND
GLOBAL INTERNATIONAL INVESTMENTS SICAV – INTERNATIONAL
MODERATE
(THE "SUB-FUND")

Luxembourg, 20 November 2023

Dear Shareholder,

The board of directors of the Fund would like to inform you of the following changes that will be made to the Sub-Fund.

Change of investment objective and strategy of the Sub-Fund

As from 21 December 2023, the investment objective will be changed in order to foresee that the Sub-Fund will have an exposure to non-European OECD countries and that the Sub-fund may invest up to 15% of its NAV in UCITS and other eligible UCIs that have an exposure to emerging countries.

The investment strategy of the Sub-Fund will be changed in order to add the possibility for the Sub-fund to invest up to 20% of its net assets into closed-end real estate investment trusts ("**REITs**") and to foresee that investments will be made directly or indirectly through UCITS or other eligible UCIs, provided that exposure to investments in emerging countries will only be obtained through UCITS or other eligible UCIs. Moreover, the Sub-fund will mainly invest in the EEA and OECD countries, directly or indirectly through UCITS or other eligible UCIs.

Therefore, as from 21 December 2023, section "1. Investment Objective and Investment Policy" and section "2. Strategy" of the special section relating to the Sub-Fund in the Fund's prospectus (the "**Prospectus**") will read as follows (changes are marked below):

1. INVESTMENT OBJECTIVE AND INVESTMENT POLICY

- 1 The investment objective of the Sub-fund is to seek long-term capital appreciation by investing mainly in Transferable Securities or UCITS and other eligible UCIs that have mainly an exposure to the EEA or any other European country with the best balance between bonds and equity.
- 2 The Sub-fund will also have an exposure to non-European OECD countries by investing up to 20% of its NAV into Transferable Securities or UCITS and other eligible UCIs that have an exposure to such countries, with the best balance between bonds and equity.
- 3 The Sub-fund may also invest up to 15% of its NAV in UCITS and other eligible UCIs that have an exposure to emerging countries.

2. STRATEGY

- 2.1 The Sub-fund will mainly invest in the EEA and OECD countries, directly or indirectly through UCITS or other eligible UCIs, its assets in debt securities, bonds, notes, fixed income securities, bank deposits, floating rate securities, convertible bonds (excluding Contingent Convertible Bonds (CoCos)), convertible notes, REITs and warrant bonds as well as equity securities. The Sub-fund can also invest in UCIs and derivatives.
- 2.2 Investments will be made directly or indirectly through UCITS or other eligible UCIs, provided that exposure to investments in emerging countries will only be obtained through UCITS or other eligible UCIs.
- 2.3 The total exposure to the asset classes listed below, whether direct or indirect, will not exceed the limits specified below (in percentage of the total net assets of the Sub-fund):

Asset class	Range
Cash and cash equivalent investments (including Money Market Instruments)	3%-60%
Government bonds issued by EU and non EU countries with a rating of not less than BB+	0%-60%
Corporate bonds*	0%-80%
-Investment Grade bonds	0%-80%
-High Yield bonds	0%-70%
Equity	0%-60%
Alternative Funds	0%-40%
REITs	0%-20%

*Corporate bonds generally mean corporate bonds with an investment grade or high yield rating (with a rating measured by any leading credit rating agencies or with quality considered as equivalent by the Investment Manager).

- 2.4 The Sub-fund is also authorised to invest on an ancillary basis up to 10% of its assets in other Eligible Investments in accordance with the authorised investments set out under Schedule 1.
- 2.5 In order to achieve the above objective and to ensure the liquidity of the Sub-fund, the Sub-fund will invest in Money Market Instruments (i.e., cash and cash equivalents) at all times.
- 2.6 The Sub-fund may use financial derivative instruments for hedging and/or for other purposes to the fullest extent permitted including options, forwards, futures and/or swaps on Transferable Securities and/or other eligible assets under Schedule 1. Investors should refer to Schedule 1 for special risk considerations applicable to financial derivative instruments.
- 2.7 The Sub-fund will not use EPM Techniques or TRS.
- 2.8 The Sub-Fund is actively managed without reference to a benchmark.

Should you have any questions relating to the above, please contact the Fund's Management Company.

If you do not agree with the changes mentioned above, you may request redemption of your shares currently held, free of charge, by sending a redemption request to the registered office of the Fund, in accordance with the provisions of the Prospectus until 4.00 p.m. Luxembourg time on 20 December 2023.

A draft of the Prospectus reflecting, among others, the previously mentioned changes, is available free of charge upon request at the registered office of the Fund.

Yours faithfully,
Global International Investments SICAV

On behalf of the Board of Directors
